

The following Chrome browser extension developed by Imtiaz Ahmad will allow you to easily print off student test attempts in Blackboard Learn.

Installation

1. Make sure you have Chrome browser on your laptop
2. Click on [this link](#)
3. Click on the blue **Add to Chrome** button and confirm by clicking the **Add extension** button

Printing tests

Watch this [short video](#) or follow the steps below

1. Log into Blackboard Learn from Chrome (<https://mylearn.hct.ac.ae/>)
2. Go to the Grade Center of your course and open tests
3. Select student and sample test – click on the chevron to open up the attempts drop-down menu
4. Use the keyboard shortcut **Ctrl+P** (Windows) or **Cmd + P** (Mac) to save the PDF

Note: Set the printer destination to **Save as PDF**
